Parent Pledge

Thank you to those parents and carers who took the time to respond to our consultation for our newly formed parental engagement pledge. Our team will review your comments and will amend accordingly. We will share our pledge with you when it is complete!

Parent/Carer Consultations

Our next parent/carers consultations take place on Thursday, 27th March 2025. Parents and carers whose email addresses are on our system should have received booking emails. If you have not yet received your email, please check your junk folder. Please contact the school if you do not have an email and we will try to assist you with booking your slot.

Chewing Gum

We have noticed a few children chewing gum during the school day. Chewing gum is not permitted in school, it is extremely difficult to remove from playground surfaces, furniture and clothing. Please do not allow children to bring it to school with them.

Uniform

Please ensure that your child comes to school wearing their full school uniform. There are a number of children coming to school in casual clothing and we would ask for your continued support in maintaining the overall dress code and standard expected. We have a number of pre-loved items which are available if required. Could I also take this opportunity to remind parents/carers that children **SHOULD NOT** be coming to school with any form of make up (this includes lip gloss). Any child wearing make up will be asked to remove it.

Launch Foods

We are delighted to by the success of our new partnership with Launch Foods. The Launch Foods van visits our school every second Thursday. Run by volunteers, it provides a meal for every child in our school. The team are wonderful and have a real passion for the work they do. The volunteers have praised the good manners of our children, as part of our agreement, we need to ensure the local area is kept free from rubbish, we would be grateful if you could support us by ensuring your child puts any rubbish in the bin on food van days. The organisation have two shops, one in Bothwell Street and one in Princes Square, every purchase made through their store helps to feed a child in the City of Glasgow. Further information on the business can be found here: <https://www.launchfoods.org/launch-coffee/>

Parent Council Disco – Save the Date!

Our parent Council have organised a Spring disco which takes place on 3rd April 2025. Further information will be issued soon.

Spring Holiday

A reminder that school closes on 4th April 2025 at 2:30pm and open again on Tuesday, 22nd April at 9:00am.

Nut Free School

Please be advised that foods containing nuts should not be brought to school. Nuts are a common allergen and could make some of our pupils ill.
