

St Mungo's Academy

At-Home Learning Summary

We are committed to ensuring that all our pupils are fully supported to be safe as they continue their education in line with Scottish Government advice.

As a school we have listened to pupils and families about the last lockdown experience and we have updated our approach as outlined below. While we are all asked to Stay At Home, every pupil still has an entitlement to an education, and every parent has a duty to support this. School iPads and our At Home Learning approach below should support all our pupils and families to ensure that learning can continue.

Any pupils or families experiencing difficulty with accessing learning online should contact Mr Gallagher (Mr Gallagher (cgallagher@glow.ea.glasgow.sch.uk) or by calling the Office on 0141 582 0260.

<p>Online learning (almost all pupils)</p>	<ul style="list-style-type: none"> Resources for At Home Learning will be available for every pupil to access through the school iPad (or personal device from home) to access every subject and teacher through Glow (Teams and Outlook) Instructions for learning for each week will be posted for each subject through every class Team by Monday morning A summary of the planned learning will be available through the school website and Twitter account Every pupil will have access to Live Online Support with their class teachers through Teams; details will be provided to pupils on the class Team and on the school's website Questions can be asked and homework sent in through Glow
