Dear Parent

Eastwood High School has started a Twitter feed where all the latest news and up-to-date information from the school can be found. All that you have to do is register as a “follower” of the school on Twitter and you will be able to access the school’s Twitter feed. The Eastwood High School Twitter account can be found at @eastwoodhigherc. This development is part of an updating of all the school’s IT communication with parents that will, during this session, see the launch of a new updated website (with link direct to the Twitter feed) and a little further on the development of an Eastwood High School App.

October also sees us welcome a new Principal Teacher to the school. Miss Ruth Gow took up the post of Principal Teacher of Business Education and Computing Science immediately after the October break. She replaces Miss Jacqui White who moved on to a post in the University of Strathclyde Education faculty. Miss Gow previously taught in Deans Community High School in Livingston and we all wish her great success in her new post at Eastwood. I would also like to take this opportunity to thank Mrs Ann McVey for doing an excellent job in her capacity as acting Principal Teacher of BECS during Miss White’s absence.

Finally, can I take this opportunity to remind parents of the “Payment4Schools” facility on the East Renfrewshire Council Website (There is also a link from our own school website). This facility allows parents to pay directly for such things as school trips and school meals top up etc.
