

Primary 7 versus Staff Rounders Match

Dear Primary 7,

We are hoping that you will be back at Aitkenbar before the end of the session so that we can give you the fun-filled send off we usually do. However, we don't know if this will be possible and this is not how any of us would want your time at Aitkenbar to end.

Schools were given two days' notice that we would be closing on March 20th so there was very little time to plan. The teachers and support staff worked very hard during these two days preparing your learning packs so that your education can continue.

The P7 v Staff rounders match was held in the morning of the last day and Mrs Bartlett treated you all to a McFlurry in the afternoon. Your Leavers' Service, your trip to Auchengillan, your Dumbarton Academy transition programme, your Leavers' Disco etc may not happen but this is a very serious situation that we are in and we all need to follow the rules and look after each other.

If schools do not return to normal before the summer break, we hope to arrange to have you back for a day when you are in S1. We will have a return match (you never know - you might win this time!), you can bring an old shirt for signing, you can wear your hoodies that you would normally wear in June and we will hold a special celebration for you and your parents.

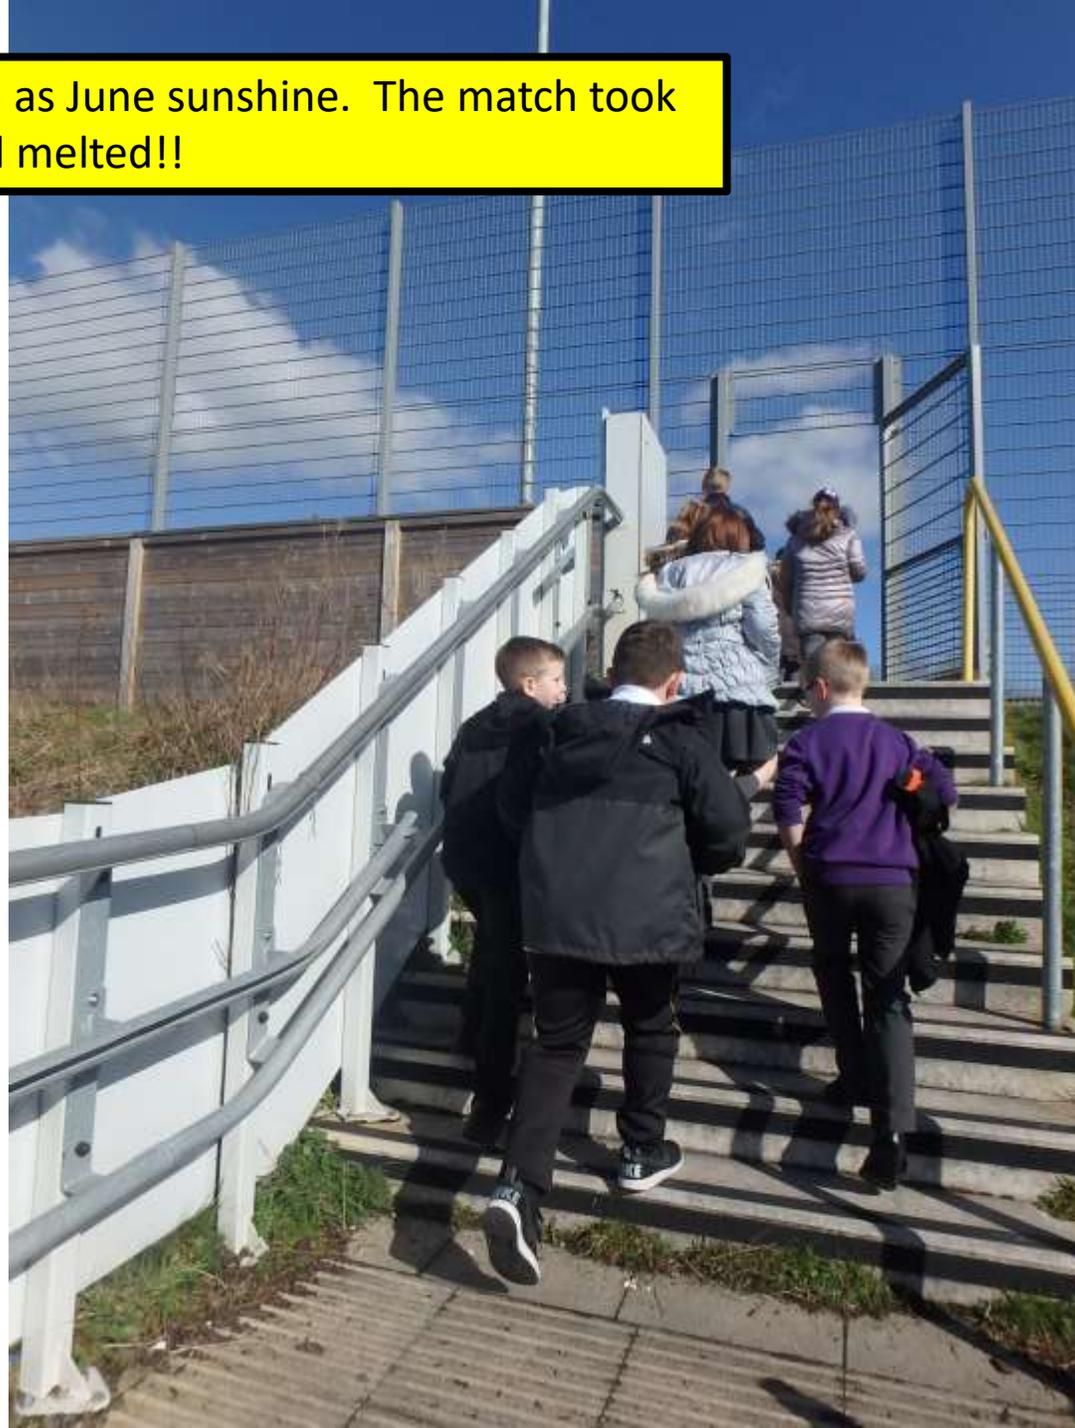

Meanwhile - keep working through the lessons that Miss Simpson is posting for you and make sure you stay safe. Enjoy the photos.

March 2020 – three months early, we all go up to the pitch to watch the P7s play the staff at the annual rounders competition. In the history of this competition, the staff have only lost once (Summer 2019) They are keen to regain the title and trophy!

March sunshine is not as warm as June sunshine. The match took place at 11:00 after the ice had melted!!

At the first changeover the score was: Pupils 11 points Staff 0 points

The staff were under pressure as the children continued to gain points!

In a last-gasp effort the staff were determined to win back the coveted trophy!
