Primary 1 are learning about Jack and the Beanstalk

Dear Primary 1,

Can you help me?

It is Jack. My beanstalk has been chopped down and I need a new one.

Please will you plant these seeds and try to grow a new beanstalk for me?

Thank you,

Your friend Jack

Santa's Workshop
1 Icy Street
North Pole
21.11.16

Dear Primary 1,

Hello boys and girls. It is Santa here. I hope you can help me as I am too busy here!!

I need more toys for Christmas. Do you think you could make your own workshop and make some toys? Toys that move would be really good!

I am sending you some things to help and Jangle, one of my elves. Look after her, please.

Don't forget to keep being good. I am watching.

Thank you.

Lots of love, Santa xxx

Jangle, Santa's elf will help Primary 1 to make some toys for Santa

Primary 1
What we want to find out...
Which material shows up best in the dark?
What we will do
• put the materials into the dark tent and shine the torch to see which reflects light.
What we will need
• tin foil
• paper
• tinsel
• gold string
• hi-vis vest cloth
• bright ribbon
• paper with sparkles
• dark tent
• torch
We will compare
If the materials reflect light.
We think that
The paper with the sparkles will reflect the most.
What happened
The hi-vis vest and the brightly coloured ribbon reflected the most light.

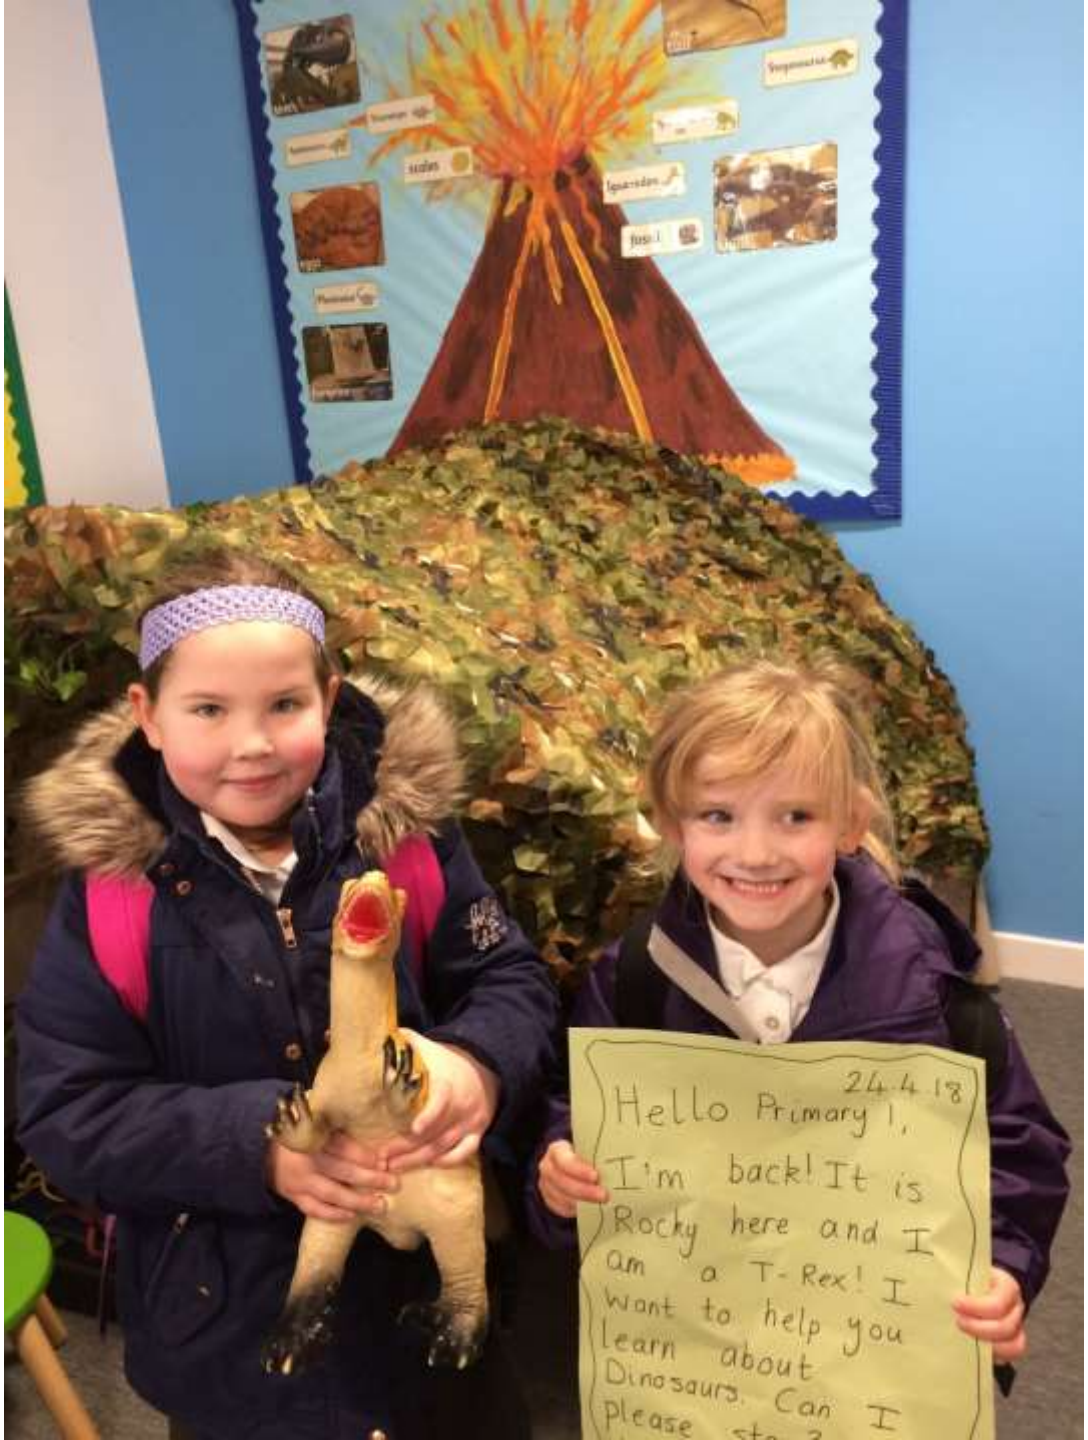
Learning about dinosaurs



24.4.18
Hello Primary 1,
I'm back! It is Rocky here and I am a T-Rex! I want to help you learn about Dinosaurs. Can I

Primary 1 collect materials to make their dinosaur landscapes
